- Log in to [www.facebook.com](http://www.facebook.com)
- Fill in the “Sign Up” section
- You must provide your email address, password & your age
- **Privacy Settings**: You will be able to include a profile and manage your own security. Information may be locked to anyone. If you wish, you may share info with your friends or you can lock out your info. You decide how much information to include in your profile.
- Once you have successfully set up your facebook account, search for “**BHHS Class of 1959.**” This is a closed group set up specifically for our classmates. Request to join the group. Once you receive notification that you have been accepted as a member of the “**BHHS Class of 1959,**” you will then be able to post photos, messages to our wall, view links, send private messages to classmates and take part in all discussions regarding the Class of '59. Since I'm the administrator, I will be screening all persons requesting membership. If they are not in our class, they will be refused membership.
- At the bottom of every facebook page is a bar that includes a box titled “Chat.” You will be able to see who is currently logged on to facebook by clicking the Chat Box and chat with any of those classmates if you wish.

Be sure and contact me should you need more detailed instructions or if I can offer any further help. My email is: [bcoone1971@hughes.net](mailto:bcoone1971@hughes.net)

Sincerely,
